

RECENT AWARDS & CUSTOMER ACCOLADES

Gaming & Leisure 2023 **PARTNER AWARD**: "Signature Systems has demonstrated an exemplary commitment to illustrate a granular understanding of the real problems that customers are facing, and has taken all the steps to provide appropriate, holistic solutions for both today and tomorrow," said **Jeannie Caruso, CEO of Gaming & Leisure.**

2023 **BEST CASINO POS SYSTEM**: "Signature Systems unsurpassed level of service, comprising of adept skill and tireless passion, as well as a determined attitude to go that extra mile and perform the heavy duties, allows them to provide innovative and sustainable solutions--ones that are custom in nature, diverse in scope, and incredibly effective," said **LUXlife magazine.**

"The 2022 **INNOVATION AWARD** was captured by SSI for their Integration Solutions, a software development service focusing on developing custom interfaces. Interfaces--or extracting, transforming, and loading information between systems--often greatly increase synergies, and therefore raise the value of all individual systems involved. Up until now, we have not seen a software developer focus in this undervalued area," said **Bart Lewin, Gaming & Leisure Award Facilitator.**

"After taking a deep dive into the refreshing 'can-do' culture and proven abilities of Signature Systems, we instantly knew they were the perfect partner for our acclaimed Tribal casinos. Their enhanced technologies will help us attract new guests and fuel guest loyalty, enlighten our management team with needed analytics, and create a highly scalable and agile platform for sustainable growth," said **Joe Roybal, CIO for Osage Casino**

"For us, the difference was clear. SSI's eagerness and ability to create a custom solution spoke volumes about their attitude and culture. We're vastly improving the underlying integration and support process by having a single-stop partner who is nimble, responsive, and attentive to our diverse needs," said **Frank Bonini, SVP/CIO for Cordish Gaming Group**

"Parx Casino always welcomes new technologies that elevate the guest experience as well as further enrich and enlighten our management team. Their casino POS system offers casino operators a modern, incredibly well-designed tool set--one that brings guest services to the next level", said **Gary Prestage, Parx Casino Vice President of Information Technology.**

"We proudly recognize Signature Systems as one of the most innovative solution providers in the POS ecosystem and appropriately award them the Restaurant Service Provider's Association's (RSPA) **PASESETTER AWARD** for innovation in POS," said **Mike Monocello, chief editor of Business Solutions.**
